

## *We're ready for Fall*

## *The Weather Is Right*

The extreme heat is gone. It's time to get outdoors and take advantage of each new beautiful day. It's time to add the finishing touches to old projects and break ground on new ones. We still have months of growing season ahead of us before Winter.

## *Our Pricing Is Right*

However you want to look at it, we have wholesale, clearance, half price, or super sale pricing every day. Typical container size pricing is:  
\$1.00 for 4" pots  
\$3.00 for one gallon pots  
\$12.00 for 3 or 5 gallon pots.  
A few plants cost more and are priced accordingly.

## *Our Selection is Right*

For plants that are deer resistant, drought tolerant, freeze hardy, and soil tolerant, the place to go to is Schumacher's. We are restocking for Fall and have a full selection of great quality plants for you to plant this Fall.

## *Our Customers are Right*

Thanks goes to you our faithful customers. We had a good Spring. We braved the Summer heat. We are looking forward to a busy Fall. Come see us. We appreciate everyone's support.
