

HILL COUNTRY GARDENS

'Weeds to Roses'

SCHUMACHER'S

Autumn has brought with it an array of colors and an enthusiasm to match. Gardens around must be bursting at the seams. Thank you again for your overwhelming response to our clearance sale.

We will probably keep most of our prices low for the end of year. We will bring mostly evergreens in that will withstand colder temperatures in pots for sale. Remember, that you can plant all year round in Texas. Our ground does not freeze so Winter is a good time to plant and it takes a fraction of the water to establish. So put on the long johns and flannel shirts, and be at one with your garden.

Sunday the 8th of November we will be opened at 12:00 until 5 p.m. and also will be the last Sunday we will be opened until next Spring.

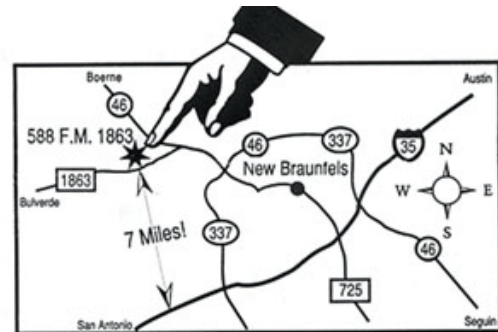

We will be CLOSED, Thanksgiving Day.

Keep planting. Come see us.
